The tasks are: Observation task for Concepts About Print. Taking records of reading continuous texts - Running Records. Observation task for Letter Identification. Observation task for Word Reading. No Shoes Book Summary : New full-color alternative to Sand and Stones, this "Concepts About Print" test can be used with the new entrant or nonreader, enabling the child to point to certain features as the examiner reads the book. An Observation Survey presents the theoretical background, administration details, and scoring interpretation of the tests. Follow Me Moon Book Summary : New full-color alternative to Sand and Stones, this "Concepts About Print" test can be used with the new entrant or nonreader, enabling the child to point to certain features as the examiner reads the book.

How Very Young Children Explore Writing Book Summary : Pathways to Early Literacy Series - Discoveries in Writing and Reading This book is one in a series of three written for parents, caregivers, early childhood teachers, and teachers of children in their first year at school. No set order is intended. Each book offers unique discussions and suggestions, and each is complete in itself. How Very Young Children Explore Writing introduces the reader to the fascinating writing attempts of preschool children. It describes how easy it is for parents and teachers to assess the changes taking place in children's writing by using everyday observations and by making more formal assessments. The copymaster sheets are not the assessment tasks.

Copymasters for An Observation Survey of Early Literacy Achievement, Third Edition, contains blackline masters of all the official recording forms and summary sheets for administering the Observation Survey. All the forms are fully updated to reflect the fully revised and expanded content from An Observation Survey of Early Literacy Achievement, Third Edition and are easily reproducible for immediate use. All the forms are fully updated to reflect the fully revised and expanded content from An Observation Survey of Early Literacy Achievement, Third Edition and Literacy Lessons Designed for Individuals, Second Edition, are easily reproducible for immediate use.

Provides teachers with guidance for managing the Reading Recovery. What measures does it give? Raw scores are converted to stanines. How long does it take to administer? Approximately 45 minutes per student How much training is needed? A minimum of half a day, and requires practice. Schools should have at least one trained teacher, and it can be time consuming for them. Scoring and data analysis A summary report is completed by the teacher, analysing strengths and weaknesses of literacy processing.
