The American Legion Zack Wheat Post 624

NOVEMBER 2022

COMMANDER'S MESSAGE

Legionnaires, Fall is here in full force, acorns and leaves are falling, hunting season and the holidays are upon us already. It seems the year just started, and yet, it is almost over. The Legion has done so much in the past couple of months it was like a beehive of activity.

In October, our mouse race was an incredible success, and fun as ever! My mouse seemed to want to nap, obviously defective, but I digress. Silent auction was also a great hit. Keep it up Auxiliary! The Turkey Shoot started and is only a \$35 buy-in for 16 chances to win; you'd be hard pressed to buy that much fun, for that little cash anywhere!! Every Saturday at noon! Be there early to enter!

We had a great turnout to the first Lake West Chamber of Commerce Social at the post. This gave many business managers in the community a look at the post, information on the post, our calendar, and activities. I was pleasantly surprised at their input on how nice the facility was, how supportive our staff was, and how inexpensive the drinks were. Thank you to all the bartenders and kitchen staff that made the event such an overwhelming success. You make the Legion proud. We also had our Oktoberfest celebration

mid-month and had a wonderful turnout for our Craft and Car show, just a couple days ago. AND... THE GUNS ARE FINALLY DONE! A Job well done by our own Ted York for setting up and working with the team and by Brett and his team from Lakeside Dustless Mobile Blasting. They did a great job, for COST. One of the younger men on the team was heard to say, "this is important, isn't it," the reply was "you bet it is. Probably one of the most important things you will ever do." That is AMERICANISM and shows me there IS hope for the future. Thank you, guys!!

Coming up in November, don't forget election day on the 8th, our Veterans Day breakfast, Flag Ceremony, and entertainment on the 11th. Please invite the veterans in your life, friends, family, even the guy you see at the grocery store with the Vet hat on. We will also be

having a Thanksgiving dinner on the 16th.

Let's take care of VETS! - 1st Vice, John Seward, is looking for people to assist in buddy checks. We need about 20 of you to make about 25 phone calls each, to check on members, our fellow Vets. This has a few goals in mind:

Make sure they are ok, see if they or their family have what they need.

Make sure our records are correct.

See if they are receiving information from us via newsletter, get it to them Email or paper format. Invite them to a ceremony, dinner, or some other event; offer a ride if they need.

Please help 1st out in this endeavor, it is important work to take care of our members, especially prior to the holidays.

Let's take care of YOUTH! We will be accepting donations for the Hurricane Deck Elementary Christmas Store, please see the

attached flyer for details. Keep in mind that MANY of these children live below the poverty line. Their families are trying to keep dinner on the table and roof over their head. We can make a huge difference in the lives of these children. I thank you in advance for your

donations!

Drum roll please... Legionnaire of the month is Tom Boyce. He is my Assistant Sergeant-at-Arms, he is a member of and attends almost all Honor Guard functions. He is THE example of what we should all do when someone enters the post, me included. I have heard from new patrons he is "welcoming", "friendly", and "makes me feel comfortable and wanted".

Thank you, Tom, for your friendly, open, and

welcoming nature. Dinner and a drink on the Commander!

Thank you, and have a safe, fun, and productive month everyone!

Austin Teel Commander

Now that all the results are tabulated from the September 24th "Mardi Gras, Mask, Murder Mystery" dinner event, we realized what an epic event it was. We had a sold out house. Thank you so much to everyone that attended the night. I cannot begin to express my thankfulness, gratitude and amazement to our American Legion family for coming together for this event. So much hard work and energy went into this. I wish I could list everyone involved, but that would be a very long list.

The "Silent Auction" event on October 8th was a very worthwhile fundraiser. Thank you to everyone that donated items and helped with setup and tear down and also thank you Lisa Seward for chairing this event.

Results from the "Fall Craft Show"/Car Show will be reported in the December newsletter.

I would like to thank Candace Malson, DNP,RN,ANP-BC from Lake Regional Clinic (new Auxiliary member) for speaking at our October meeting, regarding health maintenance for the chronologically advantaged. She was very informative.

Veterans Day Breakfast (donation only) 8:00-10:30am and Veterans Day Ceremony at 11:00am on Friday November 11th. Please plan on attending.

The American Legion Thanksgiving Dinner will be held on Wednesday November 16th. There is a signup sheet at the front bar for donation items needed for the dinner. Thank you in advance for your contributions.

American Legion kitchen will not be serving any meals on November 23 & 25 due to the Thanksgiving holiday.

Just a reminder that the December meeting will be our Christmas party. Bring a gift (max cost of \$25.00 or less) and an appetizer. It is a very festive evening.

Thought for the month:

If I waited until I had all my ducks in a row, I'd never get across the street. Sometimes you just have to gather up what you've got and make a run for it.

Respectfully
Betty Hovey
President

Happy Thanksgiving to all !!!

SAL

SAL News: Thanks to all members and spouses that have assisted in the past few months of transition. Bob will never be forgotten! Moving forward SAL will have no scheduled meetings or activities until March 2023. This does not mean we are standing still. Coming will be a web page and a new social media presence for SAL. Details will be

announced soon. Make certain that SAL Post 624 has your email address. Send updated info to jjmellody@charter.net.

Membership cards for 2023 are now available. If you are a new member your Father or Grandfather must have served. Proof of service is required. Also application for membership. Due to difficulties in the past with communication, a new system will be in effect for obtaining 2023 cards. Here are the procedures: The fee for membership is still \$25, the same as the last several years. The fee should be submitted in a sealed envelope with your name and SAL printed on the outside. Also include most recent address, phone number and email. This information will be used by State HQ and this Post to establish current contact list. The envelope can be mailed directly to the Post or placed in the blue SAL folder in the kitchen area. Please do not give to the bartenders, or another member unless they understand envelope must go to SAL folder. The folder will be emptied the first and third Wednesday of each month. Please no loose bills or checks, place in envelope, in the past these are misplaced or forgotten. How you want your card mailed include that info in the envelope. Hopefully with all info in writing cards can be issued timely. Thank you for your cooperation. Jim Mellody, SAL. Contact info: jjmellody@charter.net, text: 913-269-3375.

See all of you soon. Jim Mellody

RIDERS

Fall is here, the vibrant colors of the foliage as we travel the rolling hills of our Ozarks are mesmerizing and the cool temperatures that blow on our faces remind us of the changing seasons.

On Veterans Day we honor all
Who answered the call,
Soldiers young, and Soldiers old,
Fought for freedom, brave and bold,
Some have lived, while others died,
And all of them deserve our pride.
We're proud of all the Soldiers who,
Kept thinking of the red, white and blue.
They fought for us and all our rights.
They fought through many days and nights.
And though we may not know their name,
We thank ALL veterans just the same.
Happy Thanksgiving to all.. be safe in your travels and hug those near!

Military Funeral Honors

"Honoring Those Who Served"

The Department of Defense (DOD) is responsible for providing military funeral honors. "Honoring Those Who Served" is the title of the DOD program for providing dignified military funeral honors to Veterans who have defended our nation.

Upon the family's request, Public Law 106-65 requires that every eligible Veteran receive a military funeral honors ceremony, to include folding and presenting the United States burial flag and the playing of Taps. The law defines a military funeral honors detail as consisting of two or more uniformed military persons, with at least one being a member of the Veteran's parent service of the armed forces. The DOD program calls for funeral home directors to request military funeral honors on behalf of the Veterans' family. However, the Department of Veterans Affairs (VA) National Cemetery Administration cemetery staff can also assist with arranging military funeral honors at VA national cemeteries. Veterans organizations may assist in providing military funeral honors. When military funeral honors at a national cemetery are desired, they are arranged prior to the committal service by the funeral home.

The Department of Defense began the implementation plan for providing military funeral honors for eligible Veterans as enacted in Section 578 of Public Law 106-65 of the National Defense Authorization Act for FY 2000 on Jan. 1, 2000.

Questions or comments concerning the DOD military funeral honors program may be sent to the address listed below. The military funeral honors Web site is located at <https://www.dmdc.osd.mil/mfh/> (<https://www.dmdc.osd.mil/mfh/>). *[Link will take you off the VA web site.]*

Deputy Assistant Secretary of Defense
(Military Community and Family Policy)
4000 Defense Pentagon, Room 5A726
Washington, DC 20380

To arrange military funeral honors, contact your local funeral home.

WHAT YOU SHOULD KNOW WHEN YOU FILE A CLAIM FOR SERVICE CONNECTION FOR BILATERAL HEARING LOSS AND TINNITUS.

Tinnitus is a noise in the ears, some describe it as a ringing in the ears, and others state it is buzzing, hissing, chirping, whistling or other sounds. The noise can be intermittent or continuous, and can vary in loudness. It is often worse when background noise is low, so you may be most aware of it at night when you're trying to fall asleep in a quiet room.

When filing a claim for bilateral hearing loss and tinnitus it is important to mention what you feel your hearing loss and tinnitus are related to. What incident in service that was so loud that could have damaged your hearing and cause you to have a ringing in your ears. If you had an occupation in service that would be consistent with loud noise exposure then it would be helpful to your claim to link them to your occupation. A single exposure to a sudden extremely loud noise can also cause tinnitus. It is better for your claim if you state the tinnitus has been constant ever since it began in service.

There is no test for tinnitus and you will be asked three questions. 1. Do you experience any noise in the ears? 2. Is the noise in the ears constant or does it come and go? 3. How long have you experienced the noise in the ears?

In order to be service connected for the noise in the ears the examiner will be waiting to hear from you whether you give the following answers: 1. Yes. 2. It is constant. 3. I have experienced it ever since performing my duties in the service (such as aircraft mechanic, sheet metal worker, part of a gun crew, mortar man, engineman or anything that would have exposed you to loud noises in which you had no ear protection).

In 38 CFR 3.159(a)(2) and 38 CFR 3.159(c)(4) the concept of lay evidence is discussed. In the context of hearing loss and tinnitus, the veteran would be competent to provide lay evidence to assert he has hearing loss and tinnitus. Also the Court of Appeals for Veterans Claims in the case of Charles v. Principi said that a veteran is competent to state that he has ringing in his ears and when this phenomenon began.

You will be asked several questions about your exposure to extreme loud noises after service. The key thing to remember is that in service you probably did not have ear protection and after service you probably did.

You will then be asked how long you have noticed the hearing loss and the best possible answer to give is that you feel your hearing was damaged by the same incident that caused you to have ringing in the ears. Do not guess how many years ago that you first noticed the hearing loss because if it doesn't match up with your service your claim will be denied.

Do not take this paperwork to your exam.

WHAT EVERY VETERAN NEEDS TO KNOW

When you receive VA benefits it does not take benefits away from any other veteran.

There is no time limit to file a claim for VA compensation or pension benefits. Veterans serving more than 60 years ago are being awarded benefits everyday.

The number one and two disabilities granted in the Country are bilateral hearing loss and tinnitus (ringing in the ears). Any combat veteran or veteran who had a military occupation that was consistent with exposure to acoustic trauma should file a claim.

Millions of veterans had their records destroyed in the fire at the National Personnel Records Center in St. Louis, MO in 1973. Lost or destroyed records don't mean you can't be granted benefits. It depends on what information is on your Discharge Document.

Most veterans who served in the Battle of the Bulge or Chosin Reservoir are granted total disability benefits from the VA as a result of their cold injuries. If any veteran was exposed to extreme cold temperatures for long periods of time in service they should consider filing a claim.

Any veteran who served on land in Vietnam was exposed to Agent Orange. There are 15 conditions recognized as being related to herbicide exposure. The most common is Type 2 diabetes, prostate cancer, lung cancer and cancer of the larynx. Any of those veterans who have been diagnosed with these disabilities should file a claim for compensation.

Receiving compensation affects what you are entitled to from the VA medical center. Any veteran awarded a 10 percent evaluation is entitled to free inpatient care, outpatient care, eyeglasses and

hearing aids at any VA facility. When a veteran is rated 30 percent or more they are entitled to additional compensation for their dependents. When a veteran is rated 50 percent or more they are entitled to free medication for all conditions whether service connected or not. When a veteran is rated 70 percent a veteran can get free nursing care from the VA. Most veterans who are not gainfully employed and who are rated 60 percent or more can apply for a 100 percent evaluation (individual unemployability benefits). Age is not a factor. A veteran can be 90 years old and still be awarded these benefits.

All wartime veterans are potentially entitled to a pension from the VA depending on their income. Any wartime veteran who is totally disabled or over 65 years old or in receipt of Social Security benefits may be entitled to a VA pension depending on their income and medical expenses. Nursing home care and in-home care are considered medical expenses. Example: Single World War II veteran needs aid and attendance of another person. His income is \$1,520.00 in Social Security benefits. He moves in with his daughter and gives her his income from Social Security to take care of him. His income for VA purposes is reduced to zero because all his income is being used for his care. The VA will award this veteran \$1,519.00 a month in pension benefits.

WARNING TO ALL VETERANS: There are agencies out there that will send strangers to your home to provide services to you in order to get your VA pension benefits. You can get these benefits from the VA without giving your VA pension to these agencies. Our services are free of charge and you don't have to pay an agency \$25-\$35 an hour to complete paperwork on you that we will complete for nothing. These are benefits that you have earned; don't give them to a stranger.
