A Two-Year 'Synodal' process is taking place in the Catholic Church. This is an important moment in the life of the Church worldwide. Pope Francis is calling us **all** to reflect on the theme: *For a Synodal Church: Communion, Participation and Mission.* The Pope is inviting us to take this journey **together**. As the Preparatory Document for the Synod expresses it - *This path of walking together is the most effective way of manifesting and putting into practice the nature of the Church as the pilgrim and missionary People of God.* On Friday we received the Synod details and questions which have been uploaded to our website. To find out all the details please visit our Parish website www.ololandstp.org and please **sign up** for the 'discussion' groups – in person and virtually- which will be announced.
