

How desperate Is Your Praise?

Luke 18:35-43

The scripture said let everything that has breathe praise the Lord. This week we want to discuss the importance of our praise.

Question?

1. I want to know what ignites your reason to praise God.
2. When you praise him what type of praise do you have? Singing praise, a tambourine praise, a hand clapping praise, or a pew wrecking praise.?
3. What is a desperate praise?
4. Do you think Jonah or the women with an issue of blood was desperate?

Praise

The expression of approval or admiration for someone or something.

Desperate Praise

Crying out to **God** is an act of desperation and total concentration. It is a fervent expression of faith in God and trust in his goodness and power to act on your behalf.
