We Love Our Community

Helping To Send Youth To Camp

Eastern KY FCU Board member Solomon Kilburn and staff member Jamie Alley presented Heather Nelson a check for the Jack Friar 4H Scholarship Fund to help send youth to camp this summer.

We are committed to helping our community and practicing the people helping people philosophy of credit unions.

Celebrating Credit Unions!

In 1948, credit unions in America, and later around the world, began celebrating the philosophy and achievements of credit unions every year on the third Thursday in October. The theme for International Credit Union Day 2017 is "Dreams Thrive Here," and it's meant to serve as a reminder of how effective credit unions like Eastern Kentucky Federal Credit Union are at helping people achieve their biggest dreams in life.

This is because, unlike other financial institutions, credit unions are not-for-profit, so our primary purpose isn't to score record profits in order to cut distant shareholders bigger dividends checks. Rather, the primary purpose of credit unions is - and always has been - to be of service to their members. That means you.

We Have Gift Cards

We are proud to be
a part of our community!
