With it, we get a glimpse of the New Testament authors' original concerns and purposes.

Keener writes in clear, non-technical language for the lay person. His commentary is a valuable tool for teachers, small-group leaders, pastors, missionaries who are trying not to impose their own cultural biases in their new setting, and all who enjoy digging deeper in their personal study of God's Word. But Keener has not simply compiled material; he has mastered it. At every turn of the page, those who treasure the Bible will find something new and valuable.

He has produced a work that was genuinely needed but not envisioned--until now. His purpose is to place at the modern reader's disposal the cultural background of the Bible, something that the original readers already knew and assumed. Few pages do not contain some helpful cultural insight into a New Testament passage. Even those already familiar with New Testament background will profit. Craig S. Some of his 12 books include. Three of his books have won Christianity Today book awards: his commentaries on Matthew, John and the background commentary. He has close to half a million books in print.

The other is an understanding of the cultural background of the passage you're reading. Only with the background can you grasp the author's original concerns and purposes. This unique commentary provides, in verse-by-verse format, the crucial cultural background you need for responsible--and richer--Bible study. It includes a glossary of cultural terms and important historical figures, maps and charts, up-to-date bibliographies, and introductory essays about cultural background information for each book of the New Testament. Based on decades of in-depth study, this accessible and bestselling commentary is valuable for pastors in sermon preparation, for Sunday-school and other church teachers as they build lessons, for missionaries concerned not to import their own cultural biases into the Bible, for college and seminary students in classroom assignments, and for everyday Bible readers seeking to deepen and enhance their study of Scripture.
