# Our Purpose

## MISSION STATEMENT

Live Empowerment Brunch is a ministry designed to empower, encourage and elevate women and men who have lost loved ones.

## VISION STATEMENT

Our vision and goal is that no one will leave the same way they came. We want to give them a different look on life and motivate them to keep moving when they feel like it's over. Overall, we want to encourage them to live and go after everything life has to offer.

# About Me

My name is Arletha Orr and I'm an Author, Entrepreneur and Certified Life Coach. In 2016, I lost my family (husband and only 2 children) in a train accident. From there, my book entitled *Live* was birthed. It tells how I overcame the most difficult time in my life. I know, without a doubt, that God has graced me with a special anointing to help others navigate through the same journey.

That's the purpose of the conference! I have a heart to genuinely help others. I want to give that parent an opportunity to escape all of their burdens for a day or two by providing them with a platform to release and receive! They will release all the hurt and heaviness that's been a burden and receive the grace and glory of Our Father.

I know everyone may or may not be Christian and that's okay! That's the only way I can tell "my story." Will they be turned away if they don't believe? Certainly not. I will do everything I can to reach everyone, with the help of the Holy Ghost.

During this conference, I'm praying that God's anointing and power will pierce the heart of every attendee and they will leave renewed, refreshed and ready to "live!"
