## Transcription #1457 Locate the audio: https://www.youtube.com/watch?v=fkl0t\_wUbEI

- 1. Draw fermati at each phrase ending above the treble clef and below the bass clef.
- 2. Count outloud with the audio to determine the rhythmic placement of both notated and missing pitches.
- 3. Notate the missing pitches. Sing along to confirm the association between what you hear and its notation.
- 4. Analyze and name the relationship between the chorale melody in m. 8 and m. 9.
- 5. Analyze and name the relationship between the chorale melody in m. 10 and m. 11.

J.S. Bach (1685-1750)
