

EXPLODING MAP BOOK

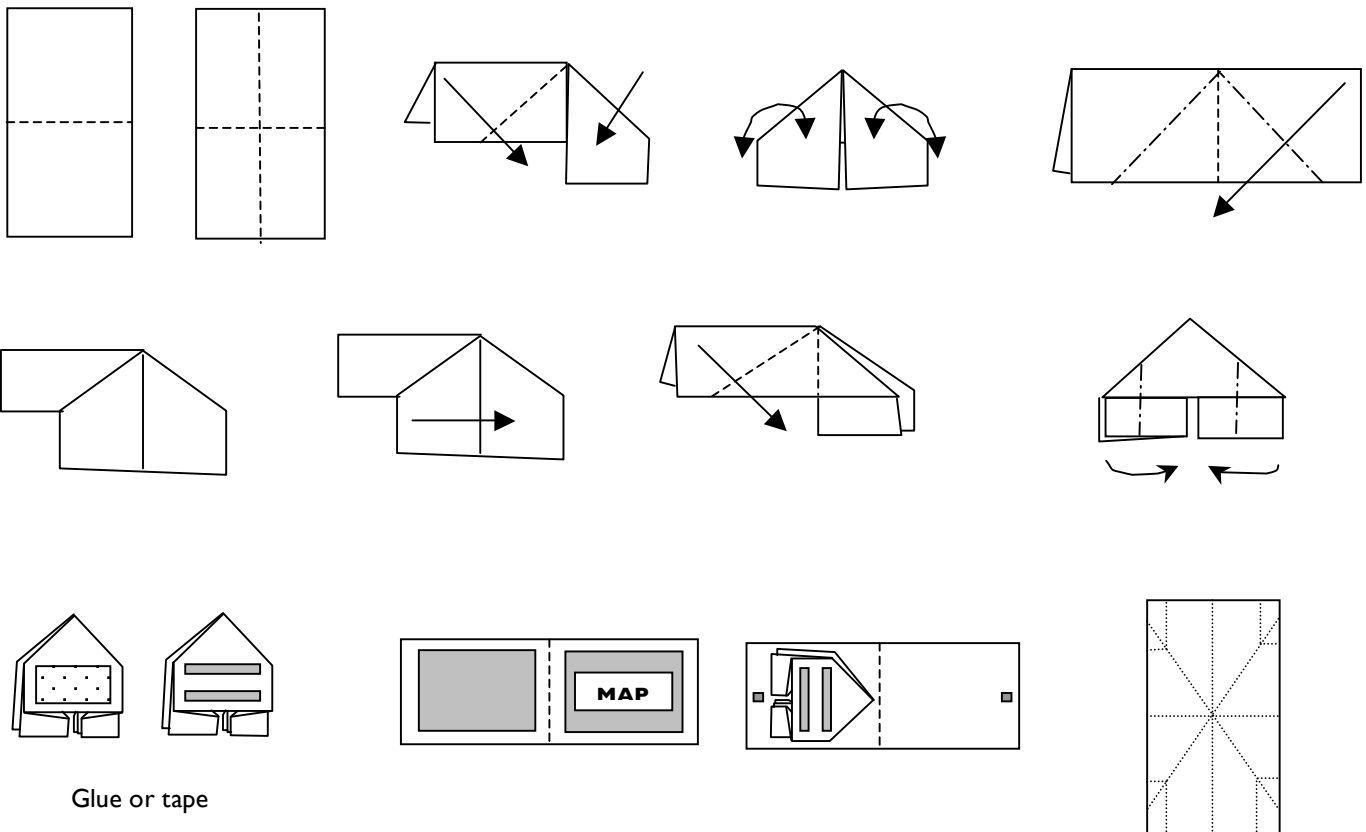

You will need:

- 1 piece lightweight map paper (7x10")
- cover paper (4.5x11")
- 2 cover panels (3.5 x 4.5)
- labels for cover
- gluestick or double stick tape
- small square of Velcro (sticky-backed)

To assemble:

(Draw or paint map before folding and assembling)

1. Fold map paper in half crosswise. Crease and open. Fold in half lengthwise.
2. Fold top corners to center crease. Unfold and fold backward.
3. Squash fold the top right corner down at a diagonal, creating a house shape.
4. Fold left half of house over to the right.
5. Repeat on left side.
6. Fold upper left and right flaps to the center, then inside-reverse-fold both sides. Repeat behind.
7. Crease all folds.
8. Fold cover strip in half and attach panels on outside.
9. Apply glue or tape as shown on one side of folded map and attach inside cover.
10. Apply glue on second side and close cover. Rub down to secure.
10. Attach sticky velcro squares at one end of strip and close cover.
