

## WHY CHOOSE ANTC!

### **AUTO BODY...Damage Repair...Paint Removal...Why should you become an Auto Body Technician?**

“Training in auto body repair is such an enjoyable experience. This great training experience quickly translates into a wide range of interesting career opportunities, where you’ll be highly sought after in car dealerships, repair facilities, or specialized auto body shops. Graduates have the skills to fulfill entry-level roles including auto detailing, welding, or aftermarket parts installation, giving you a great opportunity to develop a niche for your long-term career.”

### **CERTIFIED NURSE AIDE...Exercises...Range of Motion...Why should you become a CNA?**

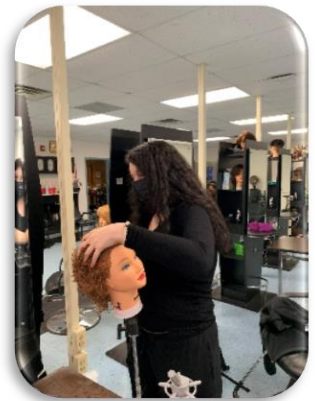

“A career as a CNA should provide an enriching experience for those who want to help people, make a difference in patients' daily lives, and enter a profession without committing to earning a degree. It is also ideal for those seeking variety in the workday, job stability, and opportunities for advancement.”

### **COSMETOLOGY...Roller Sets...Relaxers...Why should you become a Cosmetologist?**

“Cosmetologists work with people of all various backgrounds. Every day is an opportunity to make new friends and learn about different types of people. Cosmetology careers are very flexible. They allow you to choose to work part-time, weekends, or full-time depending on your preference.”

### **CULINARY ARTS...Quesadillas...Why should you become a Chef?**

“Working as a chef gives you more freedom and allows you to be more creative than just about any other career. Cooking also encourages you to make adjustments and create new and interesting flavors.”

### **MEDICAL ASSISTANT...Blood Pressure Check...Hand Washing...Why should you become a Medical Assistant?**

"Becoming a Medical Assistant offers a strong sense of personal fulfillment. Like many positions in the healthcare industry, you'll work with patients from all ages and walks of life; that means you'll work up close and personal with the people who need your help the most."
