Eighth Annual Fayette County Achievement in the Arts Awards Presentation May 8, 2022

The Fayette County Achievement in the Arts Award recognizes those Senior Class students that excelled in the area of Music, Theater & Visual Arts. This project is a partnership between the Fayette County Cultural Trust and area Rotary Clubs.

Endowment Information

Currently there is an Endowment Fund with the Community Foundation of Fayette County to support future Achievement in the Arts Presentations.

This endowment fund is a permanent, self-sustaining source of funding. The Achievement in the Arts endowment is invested each year, and a portion of the value of the fund is paid out to support the Arts, and any earnings in excess of this distribution are used to build the fund's market value. In this way we can grow the fund which supplies this presentation each year to deserving students in Fayette County.

When you support the endowment, you help create a permanent legacy of support for the arts.
