OLD BUSINESS

Rick presented possible application to reserve the park tables. Will be recommended to council for approval.

Mayor received 20 trees from Liberty. There is a possibility to receive more in the future. If we can receive dollar amounts for trees received we can use that towards our match for next grant.

Tom will wait to talk to the nursery until we find out what we can get from Liberty. Cannot be planted until trail is done.

Ground Breaking Ceremony was in Joplin Globe.

It was determined by the engineers that the existing concrete pads will not support a pavilion. It was decided to request the council to pay to remove the south concrete pad and keep the north concrete pad to hopefully be used as a basketball court or something like that.

Rick will request the council to agree to provide the 50% of the next grant. Rick will get an estimate to help provide a request to the council.

Mayor stated that All Seasons mentioned wanting to help install (labor and material) the Duquesne School sign when we are ready.

Gerrit will determine if we are able to remove concrete pad during trail installation.
