

Underdogs Training Dates 2019

All training session will take place between 10am-2pm on Sundays.

Below are the training dates for 2019. Some of these weekends we may not train due to the weather. If it's over hot (we are hopeful!), too cold or wet we will not train for dog and owner safety.

All equipment will be cleared away and the site left clear and tidy. All dog waste will be disposed of appropriately.
