

THE PRAYERS OF THE LAWLESS (CHRISTIANS AND OTHER SECULAR PEOPLE) ARE AN ABOMINATION

Prov. 28:9 *“He who turns away his ear from listening to the law, **Even his prayer is an abomination.**”*

Those who proclaim to be Believers and don't keep His commandments, the Sabbath day (Saturday), or the Feasts, are wasting their time praying. This simple but true fact includes almost all of the so-called christian church community.

This is a message you will never hear in a christian sermon. This is a very severe message that is ignored like the plague, but it speaks for itself. When people do hear it, they want to shoot the messenger instead of Fleeing Babylon, leaving the pagan palaces. In today's vernacular it means:

“The cellular customer you are trying to reach is unavailable”
