## President's Message

Happy Fall!

I hope you are all doing well. I am looking forward to our meeting in November. Please remember your masks and social distancing! This is just a try-out to see how things go and how many will attend. If things go well and members would like to continue to attend, we can see if the church would be available for future meetings. I know many members are still not going out, so I am going to try and do a "Facebook Live" from the meeting.

We will see how my technical skills go!! Don't forget our "Zoom" classes we have coming with David Sirota. Please sign up as soon as you can. He will be opening to the public soon.

Looking forward to seeing you in November!

# UFO Challenge

Your UFO Queens are so excited that we will be able to meet once again! We should have a fabulous show & tell of your completed UFOs.

When the Guild meets on Nov. 13, all UFOs not previously shown will be due.

1. UFO #5 if it was not shown in March
2. UFO #3 May
3. UFO #6 July
4. UFO #2 September
5. UFO #4 November

We know that there are UFO Challenge participants who may not want to come to the Guild meeting in November. Therefore, there are four ways you may show your UFOs at the November meeting. It makes no difference which way you choose to show your UFOs. However, for any way you choose, you will need to identify each UFO with your name, your Guild number, UFO number and the month the UFO was due to be shown. Here are your choices for showing your UFOs at the November Guild meeting.

1. Bring your UFOs in person to show. You need identification information.
2. Bring a picture of each UFO to show. You need identification information on the back of each picture.
3. Have a friend bring your UFOs. Make sure your friend has the identification information for each UFO to be shown.
4. E-mail a picture of each UFO to Jeanne Surber, our Guild president, ([barryswife@verizon.net](mailto:barryswife@verizon.net)). Jeanne will put the pictures on her iPad and will show them at the Guild meeting. These pictures should include the identification information.

## UFO Queens

Lois Bates, 898-4640 Nancy Shrout, 898-4174

Wear your Guild Name Badge to every meeting. We want to get to know your name as well as the face! Those not wearing their name badges will be fined fifty cents.

# Fresh and Fruity 2020 Challenge

The requirements were to have either coral or jade fabric in your project, a fruit component, and for one side to be less than 24 inches. Please have your project labeled and a temporary sleeve along the shorter length.

If you have not sent me your write up description yet, please do so as soon as possible as the deadline was Oct. 25. I have received 7 out of the 23 people who are on my sign up list.

If you signed up post-COVID quarantine or have not paid your \$2 entry fee, please have cash on hand at the meeting.

For your convenience, I will be making myself available for two drop-off locations. One on Nov. 6 from 10:30-11 a.m. at the Costco parking lot close to the McDonalds and the other on Nov. 7 from 5-5:30 p.m. in Hampton at Ivy Memorial Baptist Church (2200 Coliseum Dr.) in the parking lot towards the far right of the building. If neither of these times works for your schedule, you may bring them to my home in Hampton anytime as there will be a drop box on my porch from Nov. 9-12. Should you need to meet me prior to these dates please contact me.

Contact: Maggie Wampler / 720-227-4851 / [maggs0112@gmail.com](mailto:maggs0112@gmail.com)

I hope y'all enjoyed this challenge and look forward to seeing the finished projects in the weeks to come. See ya soon!

Help your Guild be the greatest. Get a partner and share the duties. Positions in bold are now open. Contact your Guild President, Jeanne Surber, if you would like to serve.

At Sunshine Quilt Corner, we felt that the store should give back to the community, so we came up with the Charity Sew day. Each month we are selecting a project that will give back to an area in the community that we hope will make an impact.

We started in August by making Curtailments for The Cat Corner in Hampton. The curtailments are curtains that cover all or part of the kennel giving the new or frightened kittens/cats a place to hide behind. With the help of donations from our wonderful group of sewists, we put together 45 curtailments!

For September, we came together to make stuffed animals for kids - 64 and are going to CHKD In Newport News.

This month, we focused on Breast Cancer Awareness by making Mastectomy pillows for breast cancer patients. Once again with fabric and stuffing donations, we sewed and stuffed 42 pillows, and have sewed 45 more that are awaiting their stuffing! These pillows will be going to Virginia Oncology for the patients that receive their treatment there.

We can't thank our customers enough for their support and participation in giving back! Quilters have hearts of gold and put a lot of love into each project.

If you have a charity or an area of need that we can fill through sewing, please feel free to reach out to us at Sunshine and let us know!

**Get ready with this cute table runner kit**

The sweaters feature **fabric** from Ruby Star Society designer Melody Miller.

## Donated Quilts

In October, Karen O'Kelley donated these thirteen beautiful quilts for our Service Projects. She was helped by two friends Debbie Radcliff and Debbie Alling. De Lovell gave them some fabric and unfinished quilt tops, too. Most of the quilts went to Riverside Hospital but a few will go to CHKD next month.

## Day Block of the Month

The Day Block of the month **pending** is the spool. If you have a completed block and won't be at the Nov. 13 meeting to turn it in, please email Marilyn and she will make arrangements. It can be mailed, or arrangements made to pick up.

The block that will be sold is a cute butterfly that was planned for summer. There is a second block available of a Christmas tree with button ornaments. **Each is \$3.** If you can't be at the meeting and want a block kit, contact Marilyn.

Thanks, Pat and Marilyn, your day BOM committee volunteers.

## Riverside Volunteer Services at Riverside.

In October, we received another Thank You Note. It was from Carolyn Smith, the Head of Volunteer Services at Riverside. She said Riverside is truly blessed to have the Peninsula Piecemakers Quilt Guild as their partners in mask making. All the hours and dedication are unmatched. We donated over 3,000 masks and completed another 2,500 headbands for them. Job well done. Thank you to all the members that made masks and sewed buttons on headbands for Riverside.

## Honor Quilt Delivery

Last month we gave Honor Quilts to Heartland Hospice for seven Veterans in their care. I wanted to share what the volunteer coordinator, Caitlynn Butcher, shared with me. When an Army Veteran was given a quilt he became tearful and sang the National Anthem. Then he exclaimed, "I am proud of that flag and look at it's colors!" as he pointed to his quilt.

Another family lost their Veteran shortly after he received his quilt. The family was very appreciative and took turns hugging the quilt that had touched their Veteran.

Despite Covid, PPQG continues to make a difference with its Honor Quilt Program. Thank you, PPQG members for supporting our Veterans!
