

ABOUT HANOVER DAY

Since 2006, the Hanover Cultural Council (HCC) has sponsored the annual Hanover Day Celebration which attracts over 10,000 attendees each year! Through rain and shine, and with the enthusiasm of vendors, businesses and residents, the celebration continues to grow! The annual event combines live music and entertainment, artisan crafts, historical demonstrations and athletic community events for all ages. The goal of the HCC in starting this event was to build community and to showcase the talents and special-ties of local residents. Money raised by the HCC through this event is given back to the community in the form of grants for the arts, sciences & humanities.
