Dear future family of the Montessori at Sawyers Glen,

We are so excited that you are interested in attending our school! We love welcoming new students into our classroom and making new friends. The Admission Application Packet is comprised of the following three (4) documents:

- (1) Admission Application Form**
- (2) Enrollment Contract**
- (3) Tuition Fee Schedule**
- (4) Registration fees**

These documents, together, constitute our contract with you for the enrollment of your child at the Montessori at Sawyers Glen. Please carefully read and complete each document, adding your signature or initials where indicated.

Once your child's completed Admission Application Packet has been reviewed, a second packet of documents will be given to you. This packet will include information on what to bring to school, and the following required forms to be signed and returned: Medical/Dental Consent, Immunization, and Child History.

Should you have any questions or concerns about this Admission Application Packet, please do not hesitate to contact us. We look forward to seeing you and your child.

Thank You,

Carolyn Carroll
Owner/Director
