

# Natives In Harmony

presents

## Midsummer Flowers and Fun

Join us on July 2 and July 3 from 12 to 6 pm for a fun-filled afternoon of folk music by Mustards Retreat, music by Amanda Overmyer, living history, wild edible education and more! Try your hand at various survival practices practiced on the Ohio Frontier! Learn how Native Americans lives changed with the arrival of the settlers and how early settlers learned survival skills through experience and from the native people.

Event location: Natives in Harmony,  
4652 Township Road 179, Marengo Ohio 43334

This free event provides a great opportunity for you and your family to explore our natural history and experience Ohio history hands-on. We do this through costumed interpreters, hands-on activities, and so much more!

Visit Ebenezer Roseberry's tavern for a cold beverage and hear his tales of life during the war of 1812. Hang out with members of the Gilliam family and learn more about life on the Ohio frontier. Explore the history of guns in the U.S. Learn about life in the 1860's from Civil War Soldiers and watch them fire a canon!

This year Natives In Harmony has been giving a free native tree or shrub to every person who visits the nursery thanks to a partnership with the non-profit Green Columbus. Although we have given away the majority of the original 350 trees, we have decided to extend the giveaway to last through the July 3 and 4 event! Don't forget to ask for your free tree when visiting!
