### Fees and Charges

Upon registration, you will be asked to complete our payment plan and provide a VOID cheque or bank direct debit form to authorize us to withdraw daycare fees directly from your bank account. The payment will be withdrawn on the 1st day of every month. Unfortunately, we do not have the ability to automatically withdraw from credit cards at this time. If you prefer, advance payments by Visa, MasterCard, American Express, Debit Card, Cheque, Money Order or Cash may be made at least one week prior to the first of the month to avoid the automated withdrawal.

### Due Dates

Fees are due on the first day of every month. A deposit of **one Months payment** (the "Deposit") and a non-refundable registration fee of **\$50.00** is payable upon execution of the Daycare Agreement. This deposit will cover the first month of child care.

### NSF Fees & Unpaid Accounts

If the payment is not successfully withdrawn from your bank account, you will be charged an administrative fee of \$50.00 in addition to any fees that your bank may charge and 5% late fee at the end of every month. If fees remain unpaid, your child may be withdrawn from the program.

### Rate Changes & Absences

Fees are subject to change. You will receive one month advanced written notice of any upcoming rate increases.

Absences will **NOT** result in **any reduction** of fees unless the absence is for medical reasons and is for an extended period of time. A doctor's note must be provided for any refunds.

To retain/save a spot at our Daycare during a prolonged absence, the full fee monthly fee for the program must be paid. (Summer Break, Christmas Break, Spring Break, etc)
