

In the Privacy of Your Own Heart...

As you meditate on what is being offered to you at Discipleship Way, answer these questions in the privacy of your own heart:

(And remember, dig deep)

- What is your commitment to receiving the personalized instruction of the Word of God that is being offered to you ?
- What will you do to place yourself in a position to hear the Word and to receive it and to take it personal as your own?
 - Will you follow along in the Bible when I read a scripture?
 - Will you take notes on your own?
 - Will you replay the session so that you can hear what has been said?
- What will you do to participate in these sessions? What part will you play?
- How committed will you be to receiving the personalized instruction that's being offered?

My prayer is that you will get everything out of Discipleship Way that God has poured into it just for you!
