To whom it may concern:

Mr. Norbert Thomas has been one of our steady, efficient, and reliable sub-contractors to our business. We have been using Mr. Thomas' skills and knowledge as a Videographer, Creative Editor, Technical Engineer, Technical Director and Director of Photography.

Mr. Thomas is a true professional in every sense of the word. His vast knowledge of the intricacies of the industry is equally supported by his extensive experience over the years. I have found Mr. Thomas to be nothing less than 100% the professional he has strived to be.

I have trusted Mr. Thomas with some of my most complex projects without having a second thought. I would recommend him to teach his valuable skills in your vocational programs. Please feel free to contact me for any further information.

Sincerely yours,
