

## ConfiDance Studio Class Uniforms

To provide a cohesive classroom environment and focus on training, all students at ConfiDance Studio wear class uniforms. Uniforms can be purchased at FreeStyle Dancewear or anywhere else dance wear is sold.

**FreeStyle Dancewear has informed us that due to supply chain issues some items may be on backorder. If your dancer does not have their uniform for the first couple of classes we completely understand! Please have them come to class in the uniform they wore last season or other appropriate athletic apparel.**

If your dancer does not have their uniform by the first day of classes that is okay. Please send them in clothing they can move in and bare feet. Please make sure your dancer's hair is up and off of their face and neck so they can properly participate in class.
