

MILDURA SCHOOL OF DRIVING

Contact Martin when you are ready to book your lesson.

You can contact MSOD via

Text/SMS is a good way to contact MSOD - as Martin does not answer calls when on lessons but he will always contact you back during bookwork time.

When making first contact to enquire or book a lesson; providing the following clear information helps to streamline the process.

-  Name
-  Pick up Address [*e.g. home, school, work*]
-  Auto or Manual
-  Approximate lesson hours in log book [*Is a log book required?*]
-  Any issues that are/could impact on your lesson or ability to get your licence [*e.g. limited access to supervising driver, very nervous/anxious, medical condition, previous driving experience*]
