- Pizza Philosophy -

REAL INGREDIENTS, REAL FOOD, REAL YUMMY

- Dough -

Our dough is made fresh daily with no sugar
or eggs added. We use a blend of 100% vegan
northern Winter and Spring grains, 12% protein,
single-origin wheat flour. Our flour is chosen
by bakers because it is well suited
for hand tossed pizzas.

- Sauce -

Homemade is the way to go and less is more
when it comes to seasoning our sauce.
Our sauce recipe is over 60 years old
and sets the stage for whatever type
of pizza flavor you are looking for.
The fresh toppings take center stage!
We do not add any sugar to our sauce.

- Ingredients -

Our ingredients are freshly chopped, grated,
diced and sliced so you get to taste your own
