PROGRAM OVERVIEW

Our Leader in Development Program (LID) is a course for 14-16 years old campers who want to develop their Christian leadership skills in order to have a positive impact on their communities, friendships and families.

Our staff facilitators will encourage and help LIDs to reach their full potential, in an atmosphere that addresses personal growth such as self-esteem, goal setting and self-discovery.

LID's will have the opportunity to enjoy camp, learn and practically apply new skills, create many new friendships, and prepare for future leadership opportunities.

TRAINING WE COVER

- Leadership styles
- Personality traits
- Camp Counselling styles and techniques
- Role Modelling
- Responding to various campers behaviors
- Conflict mediation
- Validation techniques
- How to be positive in a not so positive world
- Team Building

PRACTICAL EXPERIENCE

Every LID will have the opportunity to be involved and participate in the U-turn camp program and its activities. LIDs will enjoy doing each activity and also begin to apply the training that they have learned. Part of the program will be to serve (for example helping with dishes, leading horses, camp clean-up etc.) and the other part will be working with the campers, observing how our staff care for them, and having supervised opportunities to lead.

PLEASE NOTE:

- Drop off for this program is Monday morning at 8:30 (we can accommodate earlier if needed).
- Pick up is Friday at 4:30.
- LIDS will sleep in our covered wagons, tents or trailers
- Campers must go home on the weekend in between for the Saturday and Sunday.
- **Should we not be able to operate this as an Overnight Program, we will still offer the program as a Day program, continuing to enjoy and experience much of what Uturn has to offer.**
