

GIFTING THE LAS VERDES COLINAS TERRITORY TO THE GRAND EMIRATE OF RAPHANIA

BY THE PRESIDENT OF THE COMMONWEALTH OF DRACUL

A PROCLAMATION

Las Verdes Colinas is a territory that was gifted to Dracul in 2021 by Charles Ross, which is in the Arizona macro region. Throughout its history, the territory was never formally used by Dracul and remained abandoned for most of its existence under Dracul control.

The newly formed Grand Emirate of Raphania is a mutually recognized nation, located within the same area as Las Verdes. It has been requested by the monarch of Raphania that the land be issued to it, as it has development goals with the area.

With such a request being made, and since the region has never benefited Dracul, as President of the Commonwealth of Dracul, I make this proclamation that the Las Verdes Colinas territory be given to the Grand Emirate of Raphania. A positive relationship has continued with Raphania, and I have no reason to reject such a request.

With the absence of an active Parliament session, I am left with no other choice but to create this Proclamation, since we are unable to reach our members at this time. Dracul certainly wishes Raphania and Charles Ross much success in the development of their respective micronation. We look forward to communicating with them, not only on foreign relations, but in the newly formed North American Charter Organization as well.

NOW, THEREFORE, I, STEPHEN LUKE, President of the Commonwealth of Dracul, by virtue of the authority vested in me by the Constitution of Dracul, do hereby proclaim June 23, 2022, as the date that Dracul relinquishes control over Las Verdes Colinas.

IN WITNESS WHEREOF, I have set my hand this 23rd day of June, in the year of our Lord two thousand twenty-two, and of the Independence of Dracul, the fourth.

Stephen Luke
