

MAIN MARKET PRODUCT GUIDELINES

Main Market Food Co-op believes that you have the right to know how we choose the products on our shelves. We've developed these purchasing guidelines to reflect the core values expressed in our Ends Policy Statement. These guidelines allow us to make conscious choices that return value to our members, our community, and our planet.

We strive to promote products and methods that are:

- Whole and minimally processed
- Local
- Certified Organic
- Certified Naturally Grown and/or Biodynamic
- Non-GMO Project Verified/Specified Non-GMO
- Certified Fair Trade
- Certified Humane
- Minimally packaged or in recyclable &/or returnable containers

We will not knowingly carry products that:

- Contain artificial ingredients, such as colorings, flavorings, preservatives or additives
- Contain known harmful ingredients such as nitrates or nitrites, synthetic chemicals, hydrogenated or partially hydrogenated oils, high fructose corn syrup, Nicotine, or tobacco
