May 6<sup>th</sup>, 2022

Hello students and parents!

On behalf of the music department we are excited to share the details of the proposed Florida trip for spring of 2023. We will be departing on March 29th and returning on April 3, 2023. We are making an educated guess on the spring break trips based on the county ISD calendar. The trip would leave on the Wednesday prior to the start of spring break and go into the first days of spring break. In the past we have had students stay in Florida with family members at the conclusion of the music trip so they can join in a potential Florida family spring break.

Highlights of the Itinerary include 4 days exploring the Walt Disney World. Both band and choir would participate in workshops with professional Disney musicians. The marching band will have a marching experience most likely in the Magic Kingdom. The choir will do a performance on the stage in Disney Springs.

The trip is all inclusive: workshops, performances, transportation, hotel, park tickets, and all meals except for the bus ride to Florida. There is a \$20 cash back scheduled especially for the trip home.

Price of this trip is currently \$1650 per student. This price could rise or fall some, we expect less than \$50 movement either way depending on participation for the trip.

We are looking for as many chaperones as we can get for the trip. Chaperoning an overnight school trip is a great opportunity to see the students in a very different environment. We depend on the chaperones to be surrogate parents during the trip: ensure student safety, provide support and information throughout the trip, and assist the directors as needed throughout the trip. You will have plenty of time to enjoy the park and the trip but it does require a student-centered approach and mindset. This is not the adult's vacation! We are there so the students have the trip of a lifetime. I promise that you will thoroughly enjoy the vacation and make life long memories, you will be tired, and it will be an experience that you will love! Chaperone costs are \$1769 for Triple Occupancy, \$1889 for Double Occupancy, and \$2250 for Single Occupancy.

Attached to this e-mail is the itinerary as prepared by Bob Rogers Travel. We are also including a survey we'd like everyone to take. We need to know numbers to finalize the pricing and for those who are not planning on participating on the trip we'd like to know why. This information helps us with future travel plans as we want the largest amount of participation to the locations students want to go most.

Sincerely,

Dan Griffith, Director of Bands  
Mitch Osadchuk, Director of Vocal Music  
Randy Willenburg, Choral Accompanist  
Scott Oranchak, Fine Arts Paraprofessional
