Well at last the cooler weather has arrived much to the relief of many of us, the heat has certainly been unpleasant at times during the practice sessions and playouts in the Family Centre and the fans just can't cool it down during the hot days we've had.

The practice sessions since the Festival have been busy affairs with a large junior participation which is great.

Just remember that because of the distance some people have to come to these practices to keep things moving as delays mean some people miss out and others don't get home till very late. Restrict yourselves to two songs and that includes duets.

This months meeting

## PRESIDENT'S REPORT

was held even though we did not have a quorum. This restricts the meeting in as much as no busibe acted on and no commitments can be made. Please, if you want a functioning club attend the meetings as we must have the numbers to stay legal and viable. If not we WILL fold, I'm not being dramatic - this is the situation.

The last playout went well with members from Hervey Bay and locals enjoying a good day.

Thanks to the band and caterers and other volunteers which made for a good event. We have several members who are having health problems, I wish all a swift recovery and our collective thoughts are with you.

We have a couple of things to discuss with members regarding fu-

ture events. One is the participation in the Relay For Life 13<sup>th</sup> and 14<sup>th</sup> August. The Club is entering a team to take part and we will have flyers out to see who wishes to take part and we have to discuss the next cent sale date and organisation.

Well until next time stay safe and healthy,
