Your Mtg Support Team has made it EASY (well...easier) to get to the training!!!! Our newly re-vamped Training Page **HAS THE LINKS TO THE TRAINING MEETINGS ON THE PAGE!!** 🤖

No more waiting for Mtg Support to send the links and remembering to click them to accept the training. We are in a new & improved training world! 🧐

AND....**there is more!!!!** Under the Training Calendar is our Eloomi Library. This will tell you what trainings we have on Eloomi that you can request or may be assigned. As we build our library, this section will continue to grow.

And, **there is even more!!!!** Under the LO & LOA Information page there is now links to the Upcoming and Recurring meetings for our LO/LOA/Processor monthly meetings and the Let's Discuss meetings!

Keep watching our Retail Site as we are currently working through it to keep it fresh and updated!

If you have not requested training links – no need to worry! You can skip requesting these links and go straight to the website to join the training at the allotted time. If you are one of those forgetful people, I recommend creating a calendar reminder for yourself in outlook of the training time! 😊

Check out the updates when you have a moment!

Please allow 24 hours for a full response from Mtg Support!
