

Fireside Fellowship:

The Faithfulness of God:

1. How would you define and explain sanctification to someone else?
2. It is God's desire that His people become more like Him. How does this happen? What do we need to do for God to sanctify us?
3. God promises that He will sanctify us when we ask Him to. What area of life have you asked God to sanctify in you? How do you know when that process is taking place?
4. Who have you asked to pray for you so that you may be sanctified? Who are you praying for in regard to sanctification?
5. Where do you see God's grace at work in your life? Where do you see God's grace at work through your life?
