

Dear Brothers and Sisters at Mission in Christ, Strawberry Point, IA.

Pandemic in India has impacted us personally. Nijhar's dad went to be with the Lord on May 5, 2021 as the Pandemic hit hard the Northern part of India in April and May. We thank you for your prayers and support for us during this very difficult time as many of you have sent cards and taken time to call us. **Jesus Christ who says, 'I am the resurrection and the life' (John 11:25)** has been our comfort and strength. Many of family members have recovered but many are still recovering.

While we grieve the loss of Nijhar's dad Bishop Dr. Nirmal Minz, we praise and thank God for using him mightily. He served his Risen Lord Jesus with complete dedication and distinction.

The space above is left empty as we grieve the loss of over 25 family members, close friends and ministry partners and students including the Bishop of the Church in Ranchi to Covid in April and May 2021.

We praise and thank God in spite of many challenges students from two classes graduated in April (One class seen in the picture). Total 22 students graduated.

As you can imagine it would be very different for these new graduates to begin their ministry after their training. We are grateful that they are creative and committed to serving in the name of Jesus.

Thank you sign by smiling and happy children is for all of you for your prayers and support as they received Sunday School bag with Sunday School materials. The students of the seminary led this effort.

Please pray for Anil who is working towards the establishment of the school for children.
