## October

**PASTOR TOM'S - "LITTLE CORNER OF HOGE"**

**October 2021**

October greetings from your Pastor! It's kind of hard to believe that cooler, fall weather is approaching, since it's been such a hot late summer with many 90-degree days! But, as we all know, time doesn't wait on any of us - It just keeps marching forward, and therefore we at Hoge want to keep marching forward as well. So, some news this month about our plans for the 4<sup>th</sup> quarter of 2021. We at Hoge have been blessed with some additional funding regarding the upkeep of our building, and here are just some of the projects that our Session is considering to authorize and move forward on. We are planning to power-spray our entire stone building to remove 70 years of dirt and grit, and restore the stone back to its original glory! After power-spraying the stone, our Sexton, Christian Hogenbirk, will fill in all of the gaps in our tuck-pointing that our stone building needs - We have a major tuck-pointing project above the Broad Street entrance, as well as other isolated tuck-pointing needs in other spots around our building. After the tuck-pointing is completed, then Christian will seal our stone building to improve the integrity of the repairs. We want to replace all of our storm-windows that are broken or cracked - This will also help the integrity of our building and improve our appearance! We are looking into the addition of security-cameras around the perimeter of our building to increase our visual security of our building. Our slate roof is in need of some repairs, so we will concentrate on getting our roof repaired. We have hired a new lawn maintenance company who will actually grow grass in our green-space and eliminate the weed-infested lawn that we currently have. We are planning to fix and update our water fountains throughout our building so we can provide clean, filtered water for all. We are planning to purchase new air-conditioning window units to replace the old, outdated ones we currently have in use. We want to have our chimneys cleaned and our gas fire places repaired so we can utilize these during the cooler months. Another large project we are considering is to add a privacy-fence on the eastside of our property. This fence would clearly define our property on our east lawn, and discourage the homeless from squatting on this section of our property. We're also going to continue fixing the defective light fixtures in our building which will add additional security and brightness inside our facility. As you can see, your Session and Pastor have a plan in place to make the needed repairs in our physical plant here at Hoge. This will also send a clear message to our members and our neighborhood that we are committed to Hoge's future, and that we are in this faith journey for the long-haul - We're going to show our neighborhood that Hoge is going to be there for our neighbors now, but also for the next generations coming along. That we want to provide a place that is safe for intergenerational worship - A facility that is a clean, upscale environment that promotes God's saving grace. A place that we can all be proud to call our church-home. A place that welcomes all people - All races - All nationalities - A place where people can come to worship our Lord Jesus Christ and his message of unconditional love! Your church leaders are committed to move Hoge forward into being the choice place to worship Jesus Christ on the "Hilltop." We're hopeful that you, our current members, will continue to support us as we move forward - the fall quarter of 2021 is here and it is an exciting time to be connected with Hoge - Come and join us! Looking forward to seeing you in the pews! God bless you all and I love you all!

Grace & Peace,

Pastor Tom

**The Lord's Army** A friend was in front of me coming out of church one day, and the vicar was standing at the door, as he always was, to shake hands with the worshippers. He grabbed my friend by the hand and pulled him aside. The vicar said to him, 'You need to join the army of the Lord.' My friend replied, 'I'm already in the army of the Lord, Father.' So the vicar enquired, 'Then how come I don't see you except at Christmas and at Easter?' My friend whispered back, 'I'm in the secret service.'

We continue to address maintenance needs of the building and property:

Slate roof repairs are in process and expect to be completed during October

"No Trespassing" signs are being hung around the building, particularly on the east side where we have had some attempts of homeless living in the yard; we are working in conjunction with Columbus Police to appropriately address the situation

Plans are progressing for power washing the south wall as well as the complete building along with aggressive tuck pointing and sealing work and related needs including repairs to outside water spickets

Lawn treatments of aerations, weed, grub and pest controls, and grass fertilization have begun

We are exploring the possibility of installing new fencing along portions of the east side lawn

Hoge receives support from a variety of sources; those sources believe the work of Christ is present here and its impact to the community is true to our mission of *Feeding the Community, Physically & Spiritually*. Your consistent support is appreciated, especially throughout the continuing challenging times of COVID-19.

The Finance & Facilities committee values your commitment to Hoge with time, talents and funds. Maintaining our building for worship, mission, safety, beauty and use in the community is something to be proud of. Contact members of the committee to inquire how you are able to help with any of our missions. Please continue to commit to Hoge in prayer, physical efforts, and financially.

If you are not currently participating in activities at Hoge, please prayerfully consider your willingness to do so. We have unique mission and outreach occurring here which is not happening anywhere else. You have to experience it to understand it!
