## HOW TO USE THE PRODUCT

This hair and scalp growth oil has many uses;

- Hot oil treatment,
- Seal in moisture,
- Scalp massage
- Pre-poo
- Apply to thinning edges
- Dry itchy scalp
- Dandruff treatment
- Add to a deep conditioner

**Directions:** This is a leave in oil or rinse out. Use the applicator bottle to evenly apply the oil onto your scalp from root to tip. The oil can be applied every other day.

Our hair and scalp growth oil increases hair growth and improves the thickness of your hair. Its stimulating properties enrich the scalp with Ricinoleic Acid, and omega-6 fatty acids. The antibacterial and antimicrobial properties help to unclog the hair follicles which help speeds up hair growth.
