

ABOUT US

Impact is an Illinois based organization created to help students prepare for and connect with colleges.

We are committed to raising awareness and access to quality post - secondary options for Chicago area high school students. In all practicality we are an additional resource to assist college-bound students in finding a school that is a good fit:

- Academically
- Socially
- Financially

Over the past six years we have assisted over 10,000 students in their pursuit of a post-secondary education.
