## Charitable Item Donation Record

### Using the Worksheet

The donation worksheet lists a variety of items that are typically donated to charity. You can page through the list and just print out the pages you need for the items you are donating or you can print out the entire list.

#### Categories Include:

Women's Clothing	Appliances	Entertainment Items
Men's Clothing	Furniture	Children's Toys
Children's Clothing	Sporting Goods	Computer Items, Musical Instruments
Baby/Toddler Items	Electronic Items	Craft, Workshop, Garden Items
Dry Goods	Video Games	Luggage, Medical Items

Alongside each item is an area to indicate the condition of the item. **E=excellent**, **G=good** and **F=fair**. Enter the condition for each item. Then, using the value range as a price guide determine an average value for each item. Enter in the quantity donated and determine a total value by multiplying the average value times the number of items donated. Finally, total up the entire list of items donated.

### What to Donate

Charities are looking for all sorts of clothing, appliances, and household items to resell

### How to Determine the Value of Your Donation?

The value of your donation is based on the fair market value of each item you donate. Fair market value (FMV) is the price that your items would sell for on the open market such as at a garage sale. A number of factors come into play when you are determining the FMV. Most important you need to consider the condition of the item as well as its appeal to a potential buyer. For example, an old working television set may be considered in good condition but nobody really wants an old bulky television, so its lack of appeal will affect the overall value. The attached worksheet provides a low and high value range as a guide for deterring the value of your item.

### How to Donate

1. Gather the items you wish to donate and document your items on the worksheet.
2. It is a good idea to take photos of the items sorted or stacked by type.
3. Take your donations to a local drop off center or call your charity for pickup of your items

### Do I Need to Have My Item Appraised?

You should have an appraisal before donating any designer items, collectibles, antiques and items of a \$5,000.00 or higher value.

### Receipt

Whether you deliver or have your donation picked up, the charity will give you a receipt.
