

Soul-Lifted Sisters "Food for Soul" Monthly Outreach
Celebrating 8 Years of Street Ministry
June 19, 2021
Hot Breakfast and Hygiene Items

In 2021 we are commissioned and determined to do more. In the uncertainties of the World, many have fallen on hard times and the need is great to help others. The increase in the Homeless Community is overwhelming. Last month we witnessed an influx of families now living on the street. Blocks long of tents and blankets. Just heartbreaking!! This year we have added socks, wipes, and masks to the care packs. These are critical and well needed items to help everyone stay safe and warm, as many of them have no shoes.

The need for masks, wipes, and sanitizer are overwhelming,

Our prayer for this year is to continue to serve over 100+ meals and issue Hygiene Care-Packs, Masks and Socks each month. To meet this goal, your help and donations are needed!

Our monthly menu is a "Hot Breakfast" (meat, grits, boiled eggs, croissants, muffins, bananas, snack bars). Other items needed are salt/pepper packets, water, ice, juice, take-out container's napkins, forks, deodorant, soap, shampoo, conditioner, lotion, socks, masks, hand sanitizer, gloves.

This mission is not easy, so we need your financial support. Any size donation will help us provide meals and socks less fortunate community. **Your donations will also help us fund our monthly chemotherapy care packs, cards of encouragement, and our yearly Scholarship Fund.** Faithfulness is the key!! If we can count on you each month this help us grow our services to the community.

June 19, 2021 @ 8:45am, we will meet directly at our serving location is 10th Avenue and 17th Street Miami, FL (look for the purple shirts and our banner).

I am asking all Prayer Warriors to be in prayer from the hours of 7:00am – 10:00am.

Student volunteers are welcome to join us, but please register online at www.soul-liftedsisters.com.
