Wij PRESENTEREN de Nieuwe SOUVENIR CATALOGUS 2019!

Souvenir is een Frans woord, het betekent herinnering. Wie Nederland bezoekt wil een herinnering mee naar huis nemen. Een aandenken aan het eigenwijze, vernuftige landje met haar tulpen, molens, kaas, klompen en fietsen.

Souvenirs verdiepen en verbreden uw productaanbod en zorgen voor inspirerende presentaties. Ons assortiment souvenirs is uitgebreider en diverser dan ooit. We bieden behalve de klassieke tulpenvazen, magneten, grachtenhuisjes en tegels ook frisse moderne artikelen zoals travel mugs, pennen, boekenleggers en een verrassende collectie kerstballen.

De keuze is reuze met thema's van traditioneel Delfts Blauw tot Flower Power en het nieuwe Amsterdam by Night. Al die mooie, originele souvenirs hebben wij zelf ontworpen en voor uw gemak onderverdeeld in hoofdstukken.

Souvenir is a French word, it means memory. Those who visit the Netherlands want to take home a memory. A memento of this ingenious little country with its tulips, windmills, cheese, clogs and bicycles.

Souvenirs deepen and broaden your product range and provide inspiring presentations. Our assortment of souvenirs is more extensive and diverse than ever. In addition to classic tulip vases, magnets, canal houses and tiles, we also offer fresh modern items such as travel mugs, pens, bookmarks and a surprising collection of Christmas balls.

The choice is huge with themes from traditional Delfts Blauw to Flower Power and the new Amsterdam by Night. We have designed all those beautiful, original souvenirs ourselves and divided them into chapters for your convenience.

The image features two Delft blue and white ceramic windmills. The windmill in the foreground is in sharp focus, showing its four sails and a base decorated with blue floral patterns. At its base are two small white ceramic pots, each containing several red roses. The second windmill is in the background, slightly out of focus. The entire scene is set against a plain, light-colored background. A blue, torn-edge graphic overlay is positioned at the bottom, containing white text.
