Subject: Letter to Support for 7Cs Academy

Dear Commissioner Morath:

As an owner and Director of Bilingual Child Academy Center, I am in favor of Charter school education, especially in those zip codes where currently the traditional schools in public education are performing poorly. When it comes to educating children, I am very passionate, and I want to contribute by asking the appropriate channels to make changes to provide the charter school options to these children and families.

When parents come and ask me, where should I send my child? They want to rely on good and effective education for their children. We need to be sure that the Texas Education Agency is taking into consideration the needs of families to provide quality education for all our new generations.

Please take this letter of support to 7Cs Academy as my petition and plea to the appropriate authorities and hope our voices will be heard. If I can be of any more assistance, please do not hesitate to call the Bilingual Child Academy at 210-701-8461. [www.bilingualchildacademy.com](http://www.bilingualchildacademy.com)

Best Regards
