The Oxford Road Traders are actively looking for better deals for you on Environmental / Waste Management Services and Energy and other joint savings incentives. The aim is to help reduce the cost of these services to you and hence improve your bottom line. By completing the information below you agree to this information being collected and shared with appropriate service providers as a collective. There is no obligation on your part at this stage to proceed with any arrangement negotiated as a collective. However it is envisaged that once we have the details and quotes there will be a short window for you to sign up in. When we have detailed prices for consolidated waste management services, energy and other joint savings we will be in touch with details of how to join this scheme.

If you are not interested in the above but want to be kept up to date with the work of the Oxford Rd Traders or attend their meetings please e-mail oxfordrdtraders@gmail.com
