**1. Call to order** – Rhonda Gianturco called the meeting of the new board to order after dinner and meeting with the previous board. Rhonda welcomed everyone and thanked them for volunteering. She will not micromanage but encouraged all to come to her if she can help them.

### 2. New business-

a. In 2022 we are scheduled to have a quilt show or symposium. We decided more people might attend a symposium. Late March/early April or early fall might be the best times. We will let the Symposium committee decide.

b. Rhonda suggested sending an evite to former members when we are ready to have in person meetings to boost our membership.

c. Rhonda and Linda Odell are in charge of the Facebook page. Linda and Lisa Hartman are in charge of the website.

d. Rhonda is looking into getting special email addresses for board members using their job title so the address can move with the position rather than to a specific person.

e. There is a small charge for using the Square for payments for membership, symposium, etc. We might pass that charge onto members in cases of refunds.

f. At this time it looks like we will have our June meetings on Zoom. We may be able to have our July meetings at Hilton Baptist Church. Rhonda will talk with Isobel and Gala about the chances of using the Community Center and Riverside anytime soon.

g. The number of PPQG emails should be curtailed. When there are too many in a short time period people just ignore them.

h. Board meetings will be the third Monday of each month. Time and place will be determined.

i. Newsletter deadline is the 22<sup>nd</sup> of each month

Meeting adjourned.

Respectfully submitted,  
Lois A. Bates
