Last Week's Run Report

Location; Bentoya Restaurant, 40 Amehurst Street, Fremantle

Hare; Screwdriver

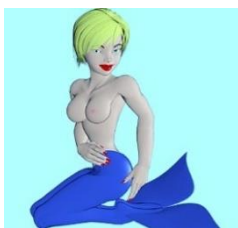

Even though this was a Nosh Night, the Hare Razer had convinced Screw to go lay a bit of chalk, so he did, belatedly setting off at 5.30 pm, tempting the pack to catch him. The run ran North along Amehurst, weaving through the new housing development and then heading East in Knutsford and eventually skirting through Booyeembara Park before weaving through the backstreets of White Gum Valley. The walkers ambled on home at about 7.15 followed by a tight pack of runners lead by 15 Menuts hitting home at bang on 50 Minutes!!

There was a short circle as time was needed for the Committee elections which were duly held resulting in the appointment of a new Mismanagement team as noted above. If you are on Committee and your contact details are missing or incorrect please advise the new On Sec, Screwdriver.

Following swiftly on from the formalities the hungry hashers devoured their pre-ordered meals of Asian Fusion Extraction.

On On to a fun filled 2018, Screwdriver
