

Jaguar Drivers Club of SA

COVID 19 Policy

as at 20 January 2022

Prepared as a guide for Registers and Members attending an approved JDCSA event .

We are sure that everyone appreciates that it is prudent for us to have some guidelines in place for club events. We ask all participants to be vigilant and follow these guidelines.

In addition to any guidelines we may have as a group you are asked to be sure to abide strictly by any rules, restrictions and or regulations that may be in place either by state government regulation or those rules and guidelines established by any venue you may visit during the course of an event.

Event Guidelines

1. **ONLY VACCINATED MEMBERS** (Or others with a medical exemption) are permitted to attend Club Events.
2. If you feel unwell and have even the mildest of symptoms you must self-isolate and not attend this event. If you have been ordered for any reason to self-isolate by the authorities, for the sake of your fellow club members and the community as a whole, you must stay home and not attend club events.
3. It is imperative that we are all mindful and continue to practice physical distancing of 1.5 metres whilst maintaining strict personal hygiene.
4. Please have in your car and/or in your possession appropriate hand sanitising liquid and use it frequently.
5. It will still be best to avoid the traditional hand shake, hug or friendly kiss.
6. Always be respectful of any requests and or restrictions that may be applied or required by venues you may be visiting.
7. **It remains mandatory for members to register via TidyHQ if intending to attend a club event.**
8. Where the venue or JDCSA provides a COVID Safe QR Code on entry to a meeting or event members are required to CHECK-IN using the code. If unable to do so a manual sign in sheet will be available to sign-in.

Many Thanks for your cooperation
