## **Skin Enhancement**

### **Calm and Soothe Facial**

The ideal spa treatment for those with reactive and easily irritated facial complexions. Watch sunburned, rosacea-prone, and acne-prone skins revive with this deeply calming and moisturizing treatment that is ideal for all sensitive skin types – whether oily or dry. I use Amarte' Ginkgo Booster, a Sulfur-Plus Exfoliator, Silktox Mask, and other products to renew your skin and leave you feeling and looking refreshed.
