

CHILD & ADULT PSYCHIATRY

CLINIC REGULATIONS UNDER COVID 19

- 1) The patient understands that he/she is consenting to behavioral health evaluation and treatment via **tele psychiatry**.
- 2) The patient understands that no results can be guaranteed, despite our best efforts to deliver care.
- 3) The patient understands that they can ask questions about tele psychiatry or any aspects of the evaluation and treatment at any time.

*** The visit can be conducted using platform (We Counsel, Zoom, Face time, phone call) during the COVID -19 pandemic. We want patient to be aware that HIPAA regulations have been relaxed during this time and that the video visit platform used may not be HIPAA compliant.

Rights and Responsibilities of the Provider and Patient

- 1) Child and Adult Psychiatry reserves the right to assess suitability and appropriateness of tele psychiatry candidates due to the potential limitations of the treatment modality mentioned above.
- 2) In the event of imminent danger, the provider is legally and ethically bound to report information to authorities, family members, or others, to minimize potential harm
- 3) If you need to come to the clinic, please wait outside call the office that you have arrived and **if you have a car, please wait inside your car**. Our staff will go out to check your temperature and ask COVID questionnaire before coming in.
- 4) If you are inside the office, please keep your **mask on and observe social distancing** even in the waiting room. If you have any symptom, your visit should be done through telepsychiatry via a computer or phone.

PLEASE DO NOT COME TO THE CLINIC IF YOU HAVE THE FOLLOWING SYMPTOMS:

Fever or Chills

Nausea or Vomiting
