

2022 Christian Dance Company

Senior Spotlight

The Christian Dance Company is blessed with five senior dancers this year. This is the largest group of seniors we've had in our history as a studio. Alexandra Brown, Isabella Clausen, Gabrielle Konop, Arianna Kubsh, and Loryn Wolf will all be graduating from Oconto Falls High School in May. They have all been a wonderful part of our studio (since they were little) and we would like to introduce and honor them with a little Q&A.

These five beautiful ladies have been with us since they were very young. We have never had this many graduating seniors at once, let alone seniors that have been dancing together for so long. Mrs. Laura and I have had the privilege of teaching them for years~ when you teach dance, you not only teach a student for a year but several and are a part of their entire childhood. It has been incredible to watch them grown into unique, confident young women, and we are honored by their commitment to dance and specifically, to our studio. We are very proud of them and pray blessings over them as their high school journey ends and adulthood begins. God bless you all; much love!
