I have said that black has it all. White too.
Their beauty is absolute.
It is the perfect harmony.

- Coco Chanel

Paying homage to the celebrated designer Coco Chanel, her statement is as true in interiors as it is in fashion, the stylish simplicity of the black and white pairing works like no other colour combo. At Merlyn we love the contrasts of light and dark and the clever use of accessories to create a bathroom which beautifully fuses aesthetics and functionality. The bathroom is a sanctuary, together we can make it sublime.

Contrast colours and textures for a cohesive look. Invest in quality products with classic styles to deliver a finish which stands the test of time.
