### **A Message from Pastor CW**

Good day to all that might be reading this Communicator! It is always a blessing to share with you from week to week. I missed doing that last week, so I thought I would try sending it by email, and posting it on our webpage this week.

I ask the Lord for wisdom in speaking His words into our hearts. I understand from reading all sorts of messages on social media that it can be hard to sort out truth from the lies. Have to remember that Satan can manifest himself as an angel of light, only temporary. Praise the Lord, the truth reveals his lies.

I was blessed to share prayer and devotion last week and look forward to it this week, at 10:30. I appreciate the effort of so many to take time to watch and throughout the week.

Your heart to give in these crucial times has blessed me beyond words! Stanley was sharing with me the offering received has been wonderful. Regular offering \$1930.00 Bridge \$135.00 Food Pantry 10.00 plus food items brought in. This is just through Wednesday. Remember our commitment to the Bridge and Twala Andrino are very important to reaching other in Jesus name. You can Mail in your tithes and offerings to Crossway PO Box 268 Sandy Springs S.C. 29677 or come by the church during the day and use the debit machine or put check in the basket sitting next to debit machine.

I appreciate everyone praying for the church outreach, we are here to share His love.

Thank you for joining us this morning and I am looking forward to the time we can share a hug and talk to each other face to face.

I BELIEVE  
C.W.

## **A Message from our Children and Middle School Leader**

I hope everyone is well and staying safe and healthy during this craziness going on in the world. I know I've missed Sunday's in the past but being in town and not going to church and teaching the children just doesn't seem right and makes me miss them even more. If you are on Facebook, I have been posting announcements on the CLICK page. Until church resumes, I will post short lessons and simple crafts that can be completed at home. One important announcement is the annual Easter Egg Hunt has been cancelled this year. We feel that the restrictions will not be lifted by then and the virus may still be spreading quickly. If you need anything during this time please do not hesitate to reach out via text, phone call, email, or Facebook message.

Love and prayers to you all,  
Lindsay

## **A Message from our Worship Leader**

I hope you are all doing well and staying healthy during this crazy time in our lives. Although, we are not able to physically meet together to worship, we can worship on our own every single day. Worship isn't confined to singing only, but it's a lifestyle we live. We worship through our giving, we worship through reading our Bible, we even can worship through how we act during this time we are going through. I want to encourage you today through the song "Who You Say I Am". The words "I am chosen, not forsaken" gives us great comfort in knowing that God has chosen us and hasn't left us. In this crazy time, God is here with us and He is going to take us through all of this! He is the great I AM so we don't have to worry during any of this, all we have to do is trust Him and seek Him! I want to challenge you to take a moment today to pray and thank God for choosing us and not forsaking us.

Praying for you guys,  
Josh

## A Message from our High School and Young Adults Leader

The last time we met, we discussed FEAR and the 5 ways to conquer it. I thought that the lesson was very appropriate because at the time we were at the very beginning times of COVID-19. Our verse was 2 Timothy 1:7

*2 Tim 1:7 "For the spirit of the Lord is not of fear but of power, love, and sound mind."*

Fear is not knowing what tomorrow holds and worrying about it. The only way we can conquer fear is to know that God is on your side.

*2 Chronicles 7:14 If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will i hear from heaven, and will forgive their sin and will heal their land.*

Our lives over the past week have changed so much and the way of life for everyone has changed drastically. During this scary time that we are all facing and the unknown of what tomorrow will bring with this virus, I urge you to conquer your fears of this situation by humbling yourself, praying, seeking God's face and living a life totally dedicated to God and His work and I believe we will push through the COVID-19 issues with no problem.

I am encouraging the students and the young adults to take the people listed below and pray for them. Pray that they seek God's face daily. You can start this even today. Grab the list and go. If you take the time to do this I know it will be an encouragement for them and will be for us too. I want to encourage everyone, even the leaders to do this.

Sunday – Yourself (Take time to pray for you to seek God's face)

Monday – Pastor CW Hicks and the Church Leadership

Tuesday – Student Ministry of Crossway

Wednesday – Young Adults of Crossway

Thursday – Children Ministry of Crossway

Friday – President Trump and our Country

Saturday – Family and Friends

As always, if you need anything at all my phone is always on!

Love ya all,  
Jason
