#### **Discussion**

On width of the trail. At least 6', not sure if 8' is necessary. Decision to be made at a later date.

Do we need additional tax revenue for upkeep of park? Probably not, but Barbara will bring in the State statute at the next meeting.

Definitely need trees planted for shade along the path. Researching State and other private organizations for options.

Barbara Welch to contact city regarding additional insurance for park.

All agreed to go forward with the grant for the walking trail.

#### **Wish List**

Two benches with concrete pads

Playground equipment

Tornado Memorial – Barbara will ask for money to have an architect draw it up.
