

Amanda Miller- Certified Veterinary Technician

Amanda graduated from Madison College and went on to receive her Veterinary Technician Certification in the state of Wisconsin. She has been working as a CVT in the Waukesha area for almost 6 years.

Amanda's favorite parts of Veterinary Medicine are dentistry, radiology, client education, and preventative medicine. She joined the Rock River Animal Clinic team in January 2021, bringing her passion and career closer to home.

Amanda grew up and lives in Fort Atkinson with her husband, two children, two dogs and two cats. In their spare time, Amanda and her family enjoy many outdoor activities like hiking, kayaking, fishing, and camping. She enjoys spending as much time as possible with family and friends. Amanda and her husband also have a passion for travel and hope to continue to visit new places.

She is looking forward to meeting and building relationships with the clients and patients at Rock River Animal Clinic to provide the best possible Veterinary care in the community.
